Auto. Mech.–Automotive Mechanics
Child Care Aide–Child Care Aide
EIM–Electrical Installation and Maintenance
Machinist Trade–Machinist Trade
PNE–Practical Nurse Education
Welding Trade–Welding Trade

People Are Flowers

People are flowers
They grow and wilt and die
Never stopping to ask why.

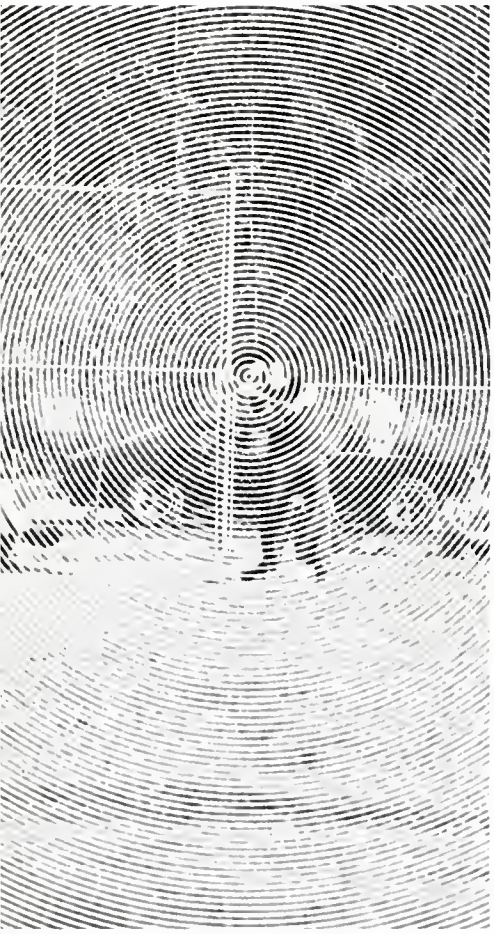
Flowers Are People

Growing cold and vain

No way that they can

feel the pain . . .

Lives are like roadways
leading to our dreams.
Wish I knew what it all
means



Time is a dream
that
  goes forever on
And we don't miss
it till
  it's gone . . .

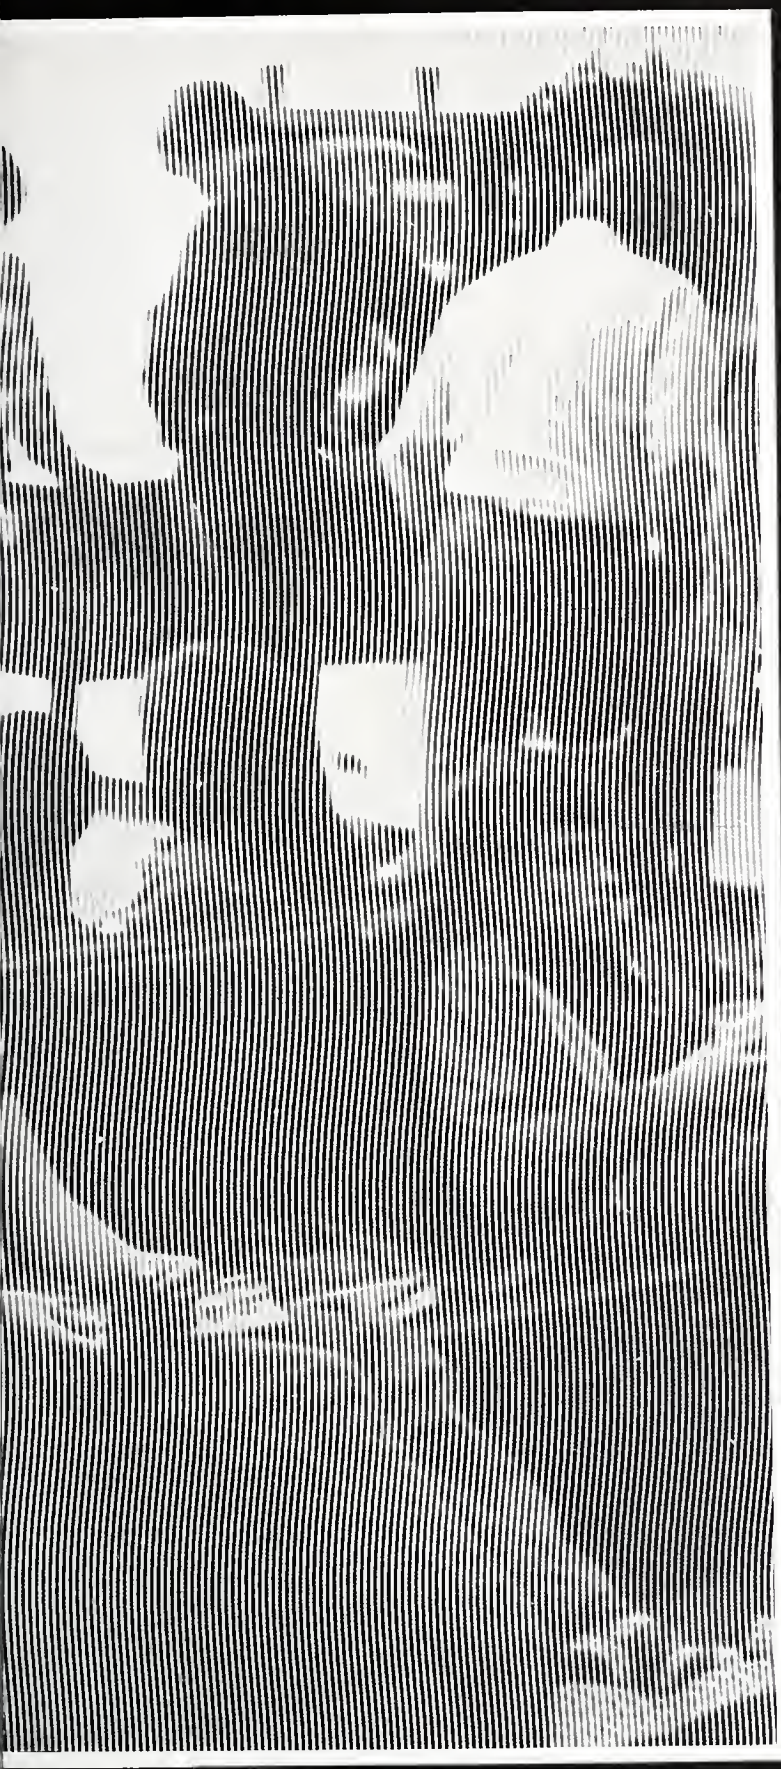
People Are Flowers is a song written by Irwin Bostian. Verses from that song are used with permission from the author.

Dedication

We often find it difficult to adequately express our appreciation for the many things you have done for us and meant to us and our school.

Because of our appreciation, our respect, and our love for you, we the students of Rowan Technical Institute, proudly dedicate the 1975 Spectrum to you, Miss Mary Avery.

involvement



As registration begins people found themselves confronted with new problems. Not only long hours, but lines, lines and more lines . . .

Finally the end!!!

CHRISTMAS QUEEN and COURT

The 1974 "Miss Merry Christmas" Queen and Court were elected in November by the student body.

Each curriculum nominated a contestant for first and second year classes.

Miss Kim Rabon of Radiological Technology was elected and her court consisted of the next four runner-ups.

Upper left and right
Miss Cathey Morgan—Assoc. Degree Nursing (1st year)
Miss Linda Neely—Early Childhood Specialist
Lower left and right
Miss Cynthia Johnson—Practical Nurse Education Miss Jane Earnhardt—Assoc. Degree Nursing (2nd year)

HONORS

H.J. Benson Memorial Scholarship

The family of H.J. Benson each year awards a scholarship in memory of the late Mr. H.J. Benson. The scholarship is given to a rising sophomore student in any of Rowan Tech's Engineering Technology programs who has been an outstanding student in Physics during his freshman year and shows a high degree as an engineering technician.

Mr. David Christian in Elec. Tech. received the award for this year.

Martin-Marietta Scholarships

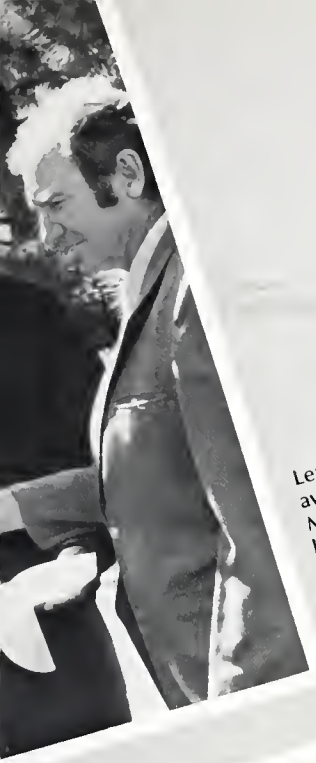
Martin Marietta Co. has awarded two scholarships for each of the school years '74-'75 and '75-'76. To qualify for these scholarships the student must show need for financial assistance and be interested in a career in welding.

Recipients of the scholarships for school year '74-'75 were John Morrison and Jackie Muckelvaney.

Patty Loflin Receives "Women in Construction Scholarship"

Ms. Patty Loflin was awarded a scholarship from the local Women in Construction Club. One scholarship is awarded each year by this organization to a female student studying in a field related to the construction industry.

Ms. Loflin qualified for the scholarship by being an outstanding first year student in the Drafting and Design program at Rowan Tech.



Left: Martin-Marietta Scholarships are awarded to John Morrison and Jackie Muckelvaney.
Lower Left: Dean Lloyd presents David Christian the H.J. Benson Memorial Scholarship.

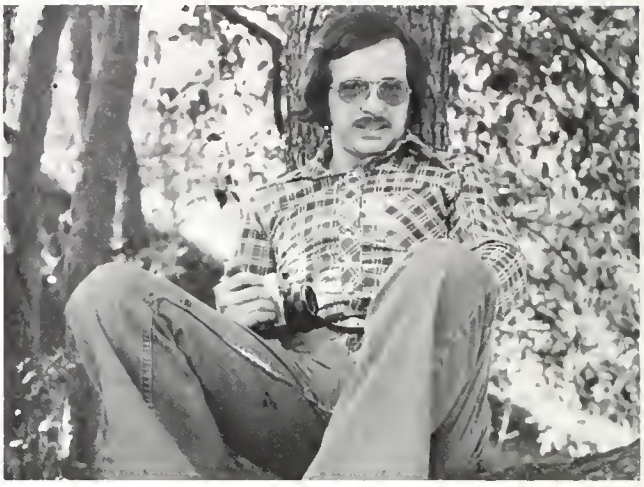
Annual Staff

Jane Barger, Typist

Teresa Miller, Secretary

Mrs. Bobbie Reid, Typist



Don Heard, Photographer

Terri Shuping—Layout Editor

Kevin Kelly, Typist

Mrs. Diana Matney, Advisor

Miss Mary Avery, Advisor

Jamie Gant, Editor

The assembling of a yearbook . . . a very awesome task! Reflections of the attitudes, changes, and experiences, of a single school are portrayed in the book, hopefully an accurate description of the history of the Rowan Technical Student Body 1974-1975.

Into this annual has gone the efforts and ideas of many people, hours of pondering, drawing layouts, picture identification, and the writing and typing of copy. With each step we have tried to create a unique annual. These and other steps are no longer the important thing. The important thing now is . . . YOU, the reader. You make up the book.

I would like to express my deepest appreciation to the staff and to Mrs. Matney and to Miss Avery for the effort which they have spent and the sincere interest which they have shown in the success of this annual. Special thanks go to Mrs. Melton, Mr. Mullis, Mrs. Reid, Mr. Lloyd, and last but not least Mr. Howard Julian.

Through numerous difficulites and handicaps we struggled, emerging with a book . . . your 1975 yearbook . . . which I present to you, the students of Rowan Technical Institute, with much pride.
